

# Dimensions of advertising in Prestige magazine

---

## Advertising inside the magazine

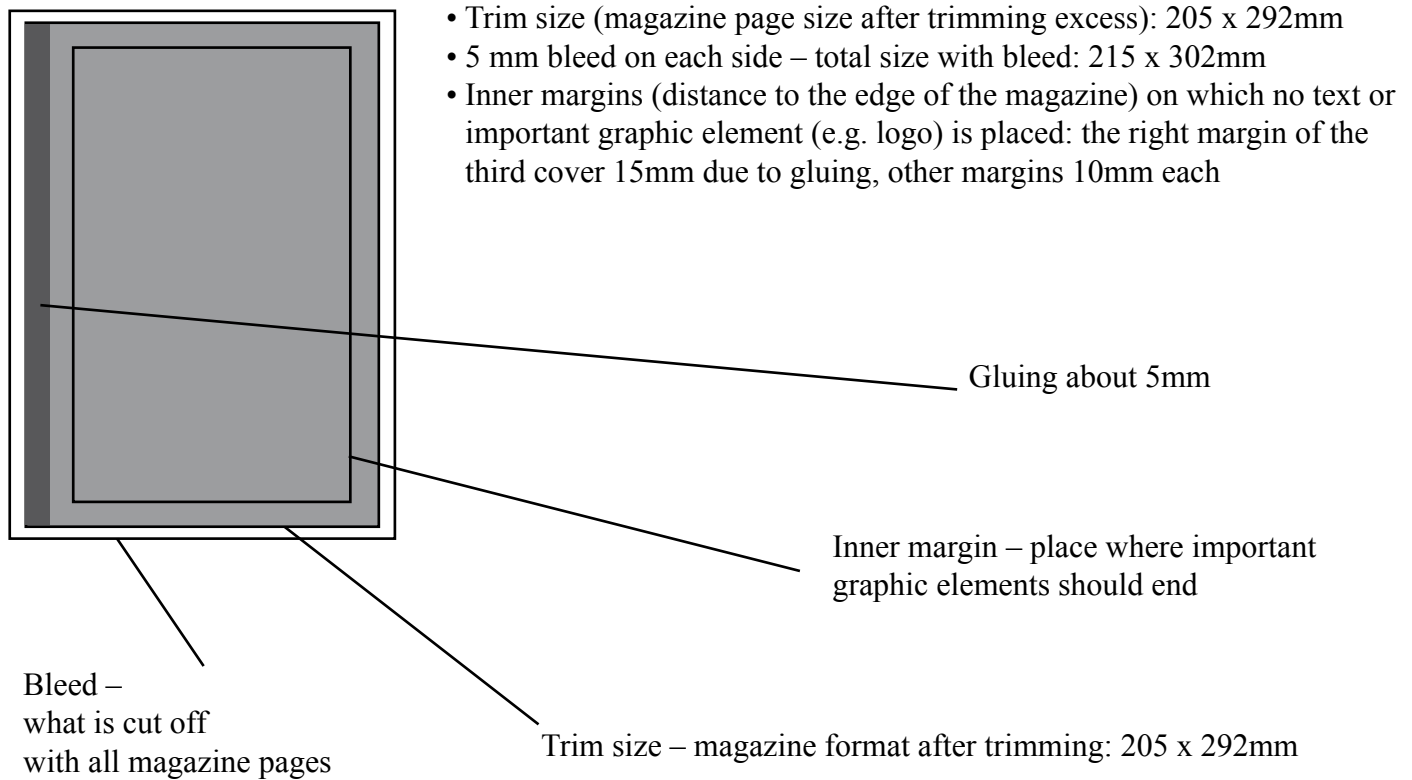

## Advertising on the second page of magazine cover (page 2)

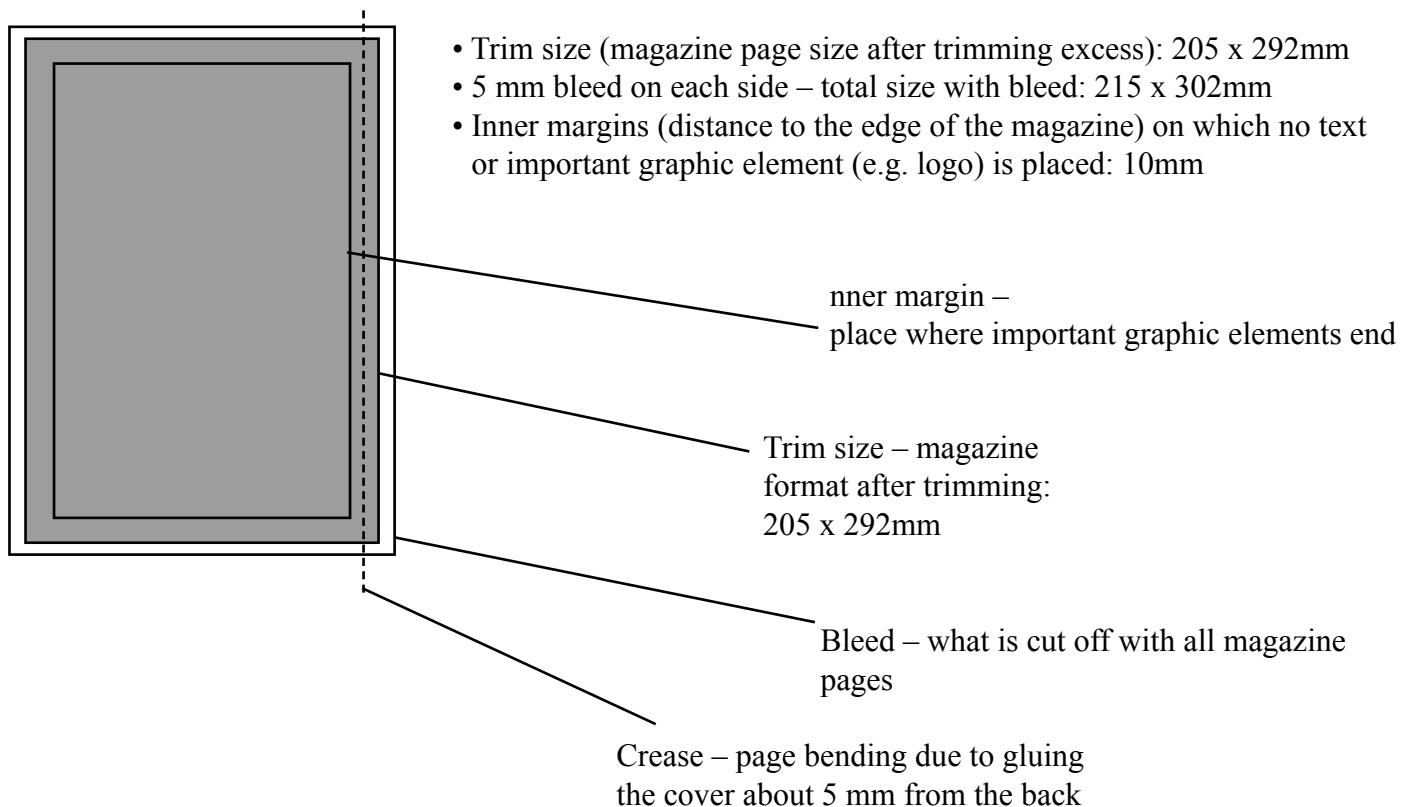

---

## Advertising on the third page of magazine cover (last but one page)

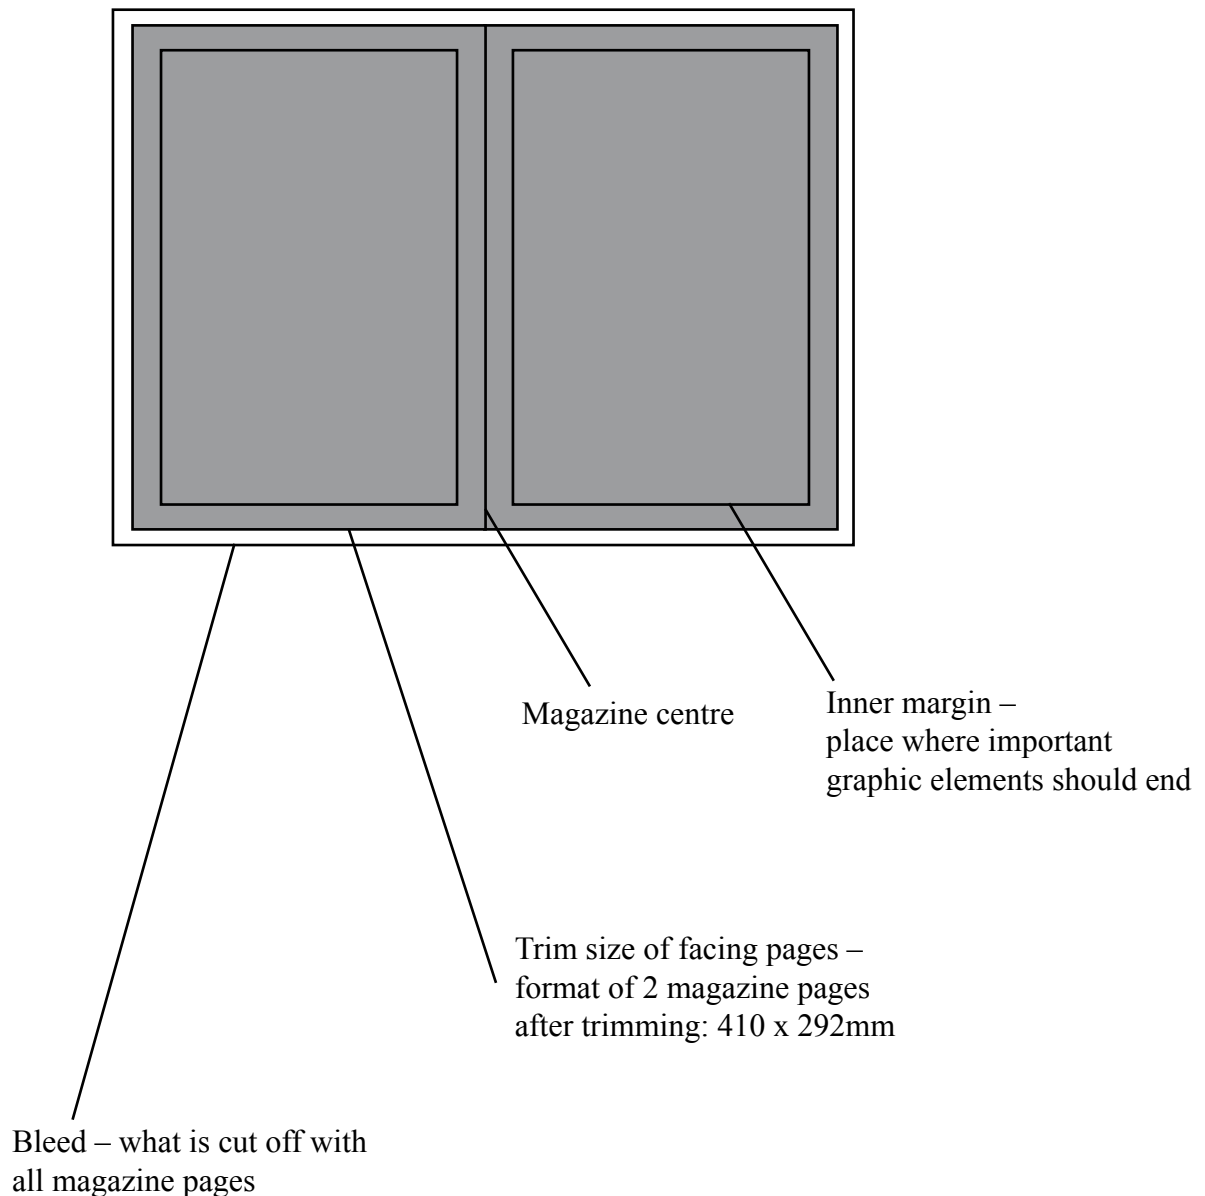

## Advertising on the fourth page of magazine cover (last page)

---

## Advertising inside the magazine – facing pages

- Trim size (size of 2 magazine pages after trimming excess): 410 x 292mm
- 5 mm bleed on each side – total size with bleed: 420 x 302mm
- Inner margins (distance to the edge of the magazine) on which no text or important graphic element (e.g. logo) is placed: 10mm

---

Advertising should be prepared:

- in 1:1 scale;
- fonts should be converted to curves;
- colour: CMYK (total ink: 300);
- resolution: 300 dpi;
- black overprinted;
- with letters below 10 points the colour must be composed of maximum two inks.
